

Mark Your Calendars

June 8: 5th Grade Reception and Graduation *10:30am*

June 9: Last Day of School!

Root PTA

The 2015-16 school year is in the books and what a great year it has been! Working together our administration, teachers, staff and parents accomplished Root's mission - to provide a relevant and engaging education and to graduate students who are collaborative, creative, effective communicators and critical thinkers. Parents, thank you for engaging in this mission by volunteering your time, your talents and your resources. At the end of the day, the most overwhelming key to a child's success is the positive involvement of parents. And to our teachers and staff - thank you for accomplishing a year's worth of work in 10 months! Your hard work, thoughtfulness, creativity, and caring will impact our children for a lifetime. YOU make a difference. Everyone have a great summer!

Amy Merriman and Brooke Miller

Fall TEK Clubs- TEK is excited to return to Root this Fall with the TEK club program! Clubs will run for 6 consecutive **Wednesdays from September 28- November 2, 4:15-5:30**. TEK supervises students after school until clubs begin. Club cost is \$135. Be on the look out this Fall for the club listings taught by the talented Root teachers. TEK pays Root staff to teach clubs. Participation supports your staff! Any questions please contact TEK info@tailoredenrichmentkids.com or visit www.tailoredenrichmentkids.com

The
A R T
of Education

I cannot believe that this is my last week at ROOT! Throughout the past 3 years I have taught some of the most amazing students, worked with the best coworkers, and made a lot of incredible friends. So, while I am excited about what lies ahead of me, I am also very sad to say goodbye to my position at Root.

Hopefully for many of you, we will either talk or see each other soon, as I will certainly be back to visit occasionally, as well as for ART birthday parties -and even private lessons for some of you! Please keep in touch, and if I have not already sent you a friend request on Facebook please feel free to send me one!! (Yes – it's official. Miss Salton has joined Facebook!) I'm simply listed as Tia Salton. ☺ And if you have not spoken to me about an upcoming birthday party or summer lessons it's not too late, please feel free to contact me.

My new address for those who want to write or send me some gorgeous artwork for my new home:

Miss Tia Salton
528 Regency Drive #302
Fayetteville, NC 28314

(Notice I can still be found someplace with the number 314 in it- just like the Art Room!!!
That put a smile on my face! ☺)

Or you can email me at SparkedByArt@gmail.com

I LOVE YOU ALL!!

**Have a wonderful safe and fun summer, and I hope to see or hear
from you very soon!**

Miss Salton

Update to Girls on the Run Registration Date

Registration for the Fall 2016 season of Girls on the Run at Root will open at 6pm on Monday June 6th. Mark your calendars and visit <http://www.gotrtriangle.org/html/> to register!

All rising 3rd through 5th grade girls are invited to participate in this amazing fitness and character development program. Practices will run on Tuesday and Thursday afternoons at the Root track from 4-5:15 for 12 weeks starting in late September. The season ends with a celebration 5k in December. Spots fill up quickly!

Thank you to Miss Diggs for coaching again this year!

STEM Summer Programs

This summer, Science In The Community will offer 2-week STEM programs for students going into 2nd-5th grade. The programs are Monday - Friday, from 9:00 am - 3:00 pm. The camp is \$75/week. During the camp, students will explore various aspects of STEM through hands-on projects and experiments.
